To Whom It May Concern:

It is with great pleasure I am recommending our Blockchain specialist, Jamal Salvi. As CEO of Nordic Waves Group, I have worked closely with Jamal on establishing and developing our work within the blockchain market. Jamal joined us as a part of his bachelor thesis, where I got to observe and be impressed by his understanding and comprehension of the complicated market dynamics of blockchain. Even more so, his willingness and openness to new tasks - despite their variety or complexity.

I believe Jamal Salvi is a highly qualified candidate for any team. As a person, Jamal is energetic, kind, and smiling. As a colleague, he has a "yes" attitude, doesn't mind working on several tasks and timelines, has a strong willingness to learn, and quickly converts know-how to constructive results.

If you have any further questions, feel free to contact me at nicolai@nordicwaves.org or +45 23248559 and I'll be happy to answer.

Sincerely,

Nicolai Alexandrowski
